

High Holy Day Services 5781/2020

Shanah Tovah!

We gather as a community during these High Holy Days to pray, to celebrate and to contemplate who we are as a people and as individuals. We consider our own past, present and future, and that of the world around us. We rejoice where there is health and happiness, and we pray for healing where there is sickness and sadness.

May today and every day during this High Holy Day season bring us spiritual growth and clarity of purpose. May the Days of Awe serve to bring us closer to the beauty of Judaism and challenge us to strive to become our best selves. May we deepen our connections to our loved ones and our communities, renewing our faith in humankind, and strengthening our commitment to *tikkun olam*, repairing the world.

To each of you, *shanah tovah*. May the new year be a good one, full of health, happiness and peace.

At M'kor Shalom, we are very blessed to have so many committed congregants who step forward to support our synagogue. There are not enough ways to say “thank you” to all the people who give so generously of their time and resources. One way we have historically expressed our appreciation to these dedicated members is to honor them at High Holy Day services.

Although we will not be worshipping together in our beautiful sanctuary this year, we are fortunate that we will be able to participate in very special “virtual” observances. The nature of this year’s services limits the number of available honors. However, it provides us with the opportunity to honor our congregants in a unique and inclusive way.

The Honors Subcommittee of the Ritual Committee has identified various groups of honorees and one representative from each has been invited to accept an honor on their behalf.

At this season, we are compelled to think of those who are less fortunate than ourselves. Thank you to everyone who dropped off non-perishable items this year. These donations will support the Jewish Family & Children's Service Food Pantry and Operation Yellow Ribbon for our troops overseas. We also encourage donations to MAZON: A Jewish Response to Hunger (mazon.org).

We appreciate the efforts of all the individuals who helped plan, coordinate and carry out the numerous elements of our High Holy Day observances. This year in particular, many thanks go to the Executive Committee, Reopening Task Force, Ritual and House Committees, for creating a way for us all to be together in worship, even while apart. Special thanks go to Jason Richek for his technical skills and untold hours putting our pre-recorded services together.

Thank you to those congregants volunteering to staff our "Help Desk" (MkorShalomHelpDesk@gmail.com), providing technical support during services and programs: Pam Barroway, Gail Donner, Robin Kushner, Bruce Matez, Alice Oppenheimer, Nicole Perr, Barbara Rothberg, Beth Savitch, Jason Turner and Stephanie Zinn.

This program is complete as of press time. We apologize for any errors or omissions.
