

# High Holy Day Services 5782/2021

## Shanah Tovah!

*We gather as a community* during these High Holy Days to pray, to celebrate and to contemplate who we are as a people and as individuals. We consider our own past, present and future, and that of the world around us. We rejoice where there is health and happiness, and we pray for healing where there is sickness and sadness.

May today and every day during this High Holy Day season bring us spiritual growth and clarity of purpose. May the Days of Awe serve to bring us closer to the beauty of Judaism and challenge us to strive to become our best selves. May we deepen our connections to our loved ones and our communities, renewing our faith in humankind, and strengthening our commitment to *tikkun olam*, repairing the world..

To each of you, *shanah tovah*. May the new year be a good one, full of health, happiness and peace.

*At M'kor Shalom*, we are very blessed to have so many committed congregants who step forward to support our synagogue. There are not enough ways to say “thank you” to all the people who give so generously of their time and resources. One way we have historically expressed our appreciation to these dedicated members is to honor them at High Holy Day services.

Although the pandemic continues to impact the way we worship together, we are fortunate to participate in various ways that make our congregants comfortable and keep us together as a community this year. The nature of these multi-access options limits the number of available honors; however, it also provides us with the opportunity to continue to honor many of our congregants

**At this season**, we are compelled to think of those who are less fortunate than ourselves. Thank you to everyone who dropped off non-perishable items this year. These donations will support the Jewish Family & Children's Service Food Pantry. We also encourage donations to MAZON: A Jewish Response to Hunger ([mazon.org](http://mazon.org)).

**We appreciate** the efforts of all the individuals who helped plan, coordinate and carry out the numerous elements of our High Holy Day observances. This year in particular, many thanks go to the Executive Committee, Reopening Task Force, Ritual and House Committees, for creating ways for us all to be together in worship. Special thanks go to Jason Richek for his technical skills and untold hours in coordinating the technology for our services, and to Synagogue Administrator Laura Maron and Facility Manager Gail Donner for their dedicated efforts.
